Percentage : 76.8%

WORK EXPERIENCE

- Sedin Technologies (On-site)** JUL-AUG 2024
Full Stack Developer · Internship
 - The primary focus of my internship was on web development, specifically using React, a popular JavaScript library for building user interfaces.
 - Throughout the internship, I'm not only learned how to use React to build dynamic web applications but also gained a deep understanding of CSS styling.
- Qbits Learning (Remote)** JUL-AUG 2024
Digital Marketing · Internship
 - During this Internship, I demonstrated a strong work ethic, creativity, and a keen understanding of marketing principles.
 - I learned about marketing strategies and digital marketing, and I improved my communication skills through digital platforms.
- Magnion Technology Factory (Remote)** APR-JUL 2024
Graphic Design · Internship
 - created interactive posters and managed social media marketing using Canva software. I also improved my design skills and had my first designs used by a startup.
- CodeBind Technologies (On-site)** JUL-AUG 2023
Web Development · Internship
 - This internship focused on developing web pages, where I learned about HTML, CSS, and PHP.

During the internship, I developed my own web page and gained knowledge in HTML, styling using CSS, and PHP admin. I worked on a team project that lasted about two weeks.
